Gap Travel
Introduction

This Group Policy travel insurance has been arranged by Endsleigh on behalf of the Group Policyholder for the benefit of the Group Policyholder and the Beneficiaries. It contains details of the cover, conditions and exclusions applicable and is the basis on which all claims will be settled.

In return for having accepted the premium We will provide cover to the Group Policyholder and Beneficiaries in accordance with the operative sections of this Group Policy as referred to in the Statement of Insurance.

The Statement of Insurance issued together with this Group Policy wording and any endorsements, shows which benefits the Group Policyholder has chosen, who is covered under this Group Policy and when and where cover applies. The Group Policyholder and the Beneficiaries should take the time to read this Group Policy carefully to ensure that it meets their needs.

This Group Policy wording, the Statement of Insurance and any endorsements all form part of the Group Policy. This is a contract between the Group Policyholder and Us. The Group Policy and all communications before and during the Policy Term will be provided in English.

This policy is only available to the Beneficiary if the Beneficiary is registered under the health care system in their Home Country.
