We offer on and offline access to a broad range of individually negotiated contracts with thousands of international chain and independent properties

Key Travel offers on and offline access to a broad range of individually negotiated contracts with thousands of international chain and independent properties, including B&B's, campus accommodation and serviced apartments. As a result we present accommodation solutions to suit all budgets and requirements.

#### Key features include:

- Ensure you get the best deal on every booking by using our online booking tool to compare your company-negotiated rates against the most competitive supplier rates
- Access to significant discounts and added value options such as Government and special member-only consortia rates
- Contracted rates specifically negotiated for the Humanitarian and Education sectors with international chains such as IHG, Hilton and Jurys Inn
- Full access to Premier Inn and Travelodge content including saver rates, flexible rates and industry discounts (offer rates do not apply to group bookings)
- A wide variety of payment options including 'On Account', pay on departure, virtual card accounts, Government Purchasing Cards and Lodge Cards
- Cancellations or amendments may be possible up to the day of arrival with flexible rates available across multiple suppliers and contracts

# 24/7

Key Travel's hotel content is available on and offline providing 24-hour access to search options

#### Accessibility

On and offline access to Key Travel's hotel content ensures you get the best rates and conditions available, however you choose to book.

Where 24-hour access to search options is required, Key Travel's online booking portal provides a secure, simple and cost effective booking channel which incorporates traveller profiles, travel policy and a wide range of rates.

#### Cost Savings

Ensuring the best match to your needs every time, our dedicated reservations team will present you with a full range of rate options to suit your specific requirements.

We can also assist with travel policy compliance, creating a bespoke hotel programme incorporating your organisation's travel policy, preferred/blacklisted hotels, rate caps and access to your company negotiated rates.

#### Management Information

Our fully managed hotel programme offers comprehensive management information on your hotel usage, helping to identify trends and allowing us to develop and negotiate bespoke cost saving programmes on your behalf.

#### KT Risk Manager

In the event of a crisis, know where your travellers are by fully integrating your booking records with our traveller tracking service.
